

LEAGUE INFORMATION

The TMFSL is a non-profit softball league run entirely by volunteers working in the financial services industry. The league's goal is to provide a safe, fun and organized means for corporate teams to participate in an exciting and regular after work sport.

Over the past decade, the TMFSL has grown to manage a total of 28 teams in two divisions of Semi-Competitive and Recreational play. The league website offers a convenient means for team Captains and Assistants to manage their player rosters.

Running from mid-May through late September, the TMFSL offers more games per season than most other leagues in the City of Toronto - played on high quality softball diamonds.
